

Part-time Teacher Training Courses 2020 / 2021

Flexible courses to fit around YOU!

MID-ESSEX **I T T**
INITIAL TEACHER TRAINING
Teaching excellence for 25 years

How does the course work?

Year 1: 2 full days in a school (days to be agreed in consultation with the school)

1 day of central training on a Thursday

Year 2: 2-3 days in a school (to be agreed with trainee and school)

Option to attend central training

What are the benefits of the part-time course?

This flexible approach means you can fit training to become a qualified teacher around other commitments, offering a more gradual introduction into the profession. The same training is offered on both of our part time and full time courses.

What qualification will I get at the end?

If you successfully complete the course, as well as being awarded Qualified Teacher Status (QTS) by Mid Essex ITT, you will also receive a Postgraduate Certificate of Education (PGCE) accredited by the prestigious

University of Greenwich. Our PGCE is a Level 7 qualification and you will also be awarded 120 credits from University of Greenwich. – 60 of these credits can be used towards further study at Master's level.

What subject can I teach? What is SKE?

If you want to teach a subject but you are not sure if your subject knowledge is up to scratch, we can point you in the direction of a Subject Knowledge Enhancement (SKE) course. A SKE will allow you to build up or refresh your existing knowledge. SKE courses are free for shortage subjects such as **biology, chemistry,**

computer science, English, French, geography, German, maths, physics, RE and Spanish.

We recommend the SKE courses with the TES Institute (www.tes.com/institute/subject-knowledge-enhancement-ske). You can only register for a SKE course once you have accepted a place on a teacher training course

Am I eligible?

Make sure you achieve the entry requirements for teacher training:

- **Grade C/4** or above in **GCSE Maths and English** or an equivalent qualification
- A **degree at 2:2** or above or overseas equivalent

How much does it cost?

The tuition fee to train full-time as a teacher with Mid Essex ITT is £9,000.* If you choose the

part-time route, it is £5,000* per year, across two years.

**fees for 2020-2021, may be subject to change*

Is there any funding?

Yes! Many subjects are eligible for a tax-free bursary. This does not have to be paid back. The amount of funding depends on the subject you intend to teach, your degree classification or highest relevant academic qualification. You do not need to apply for a bursary – if you are enrolled on a fee-paying course and meet the eligibility criteria, you will begin receiving

payments in October and will be paid in equal monthly instalments over the duration of the course.

How do the bursaries work?

Trainees receive the same bursaries (if eligible) but this is spread out over the two years. The government instruct us how

to spread the payments.

Bursary payments are expected to start on 1st October 2020 and end on 1st July 2022.

BURSARIES

How do I apply?

You can search for teacher training courses using the **Department for Education's search service**. Click on this link to search for "Mid Essex Initial Teacher Training."
